Karen: Everything ok?
me: indeed
Karen: when are you going to boston?
me: probably tomorrow
Karen: great! will you be home for thanksgiving next week?
me: not sure yet, guess I need to figure out soon
Karen: I have an Aadvantage ticket available -- it could be used for BOS to DFW next Monday 21, Thurs 24 or several other dates?
Karen: It would be a flexible ticket that could be changed at last minute :)
